CARBON NEUTRAL/FREE AND GROWTH

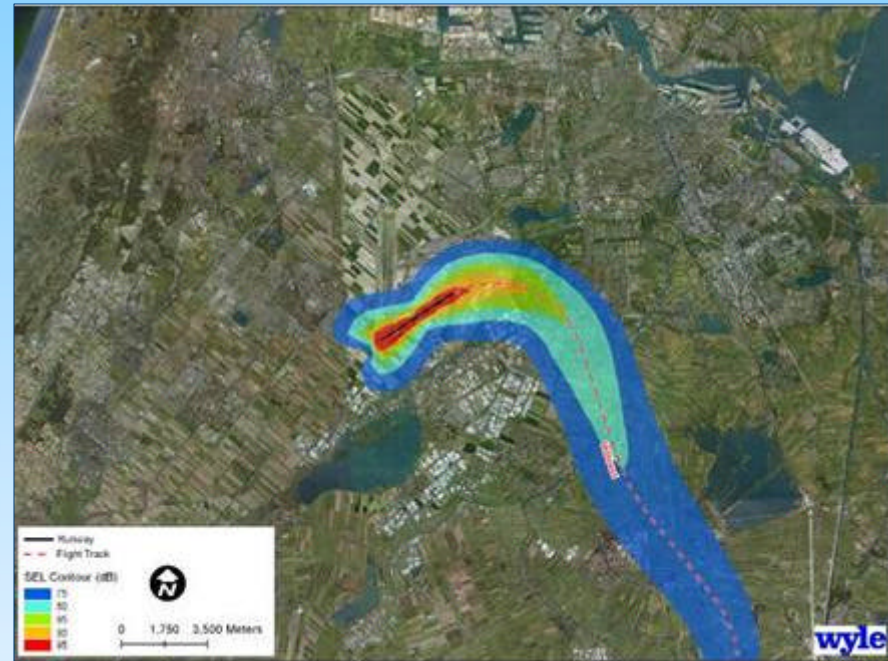

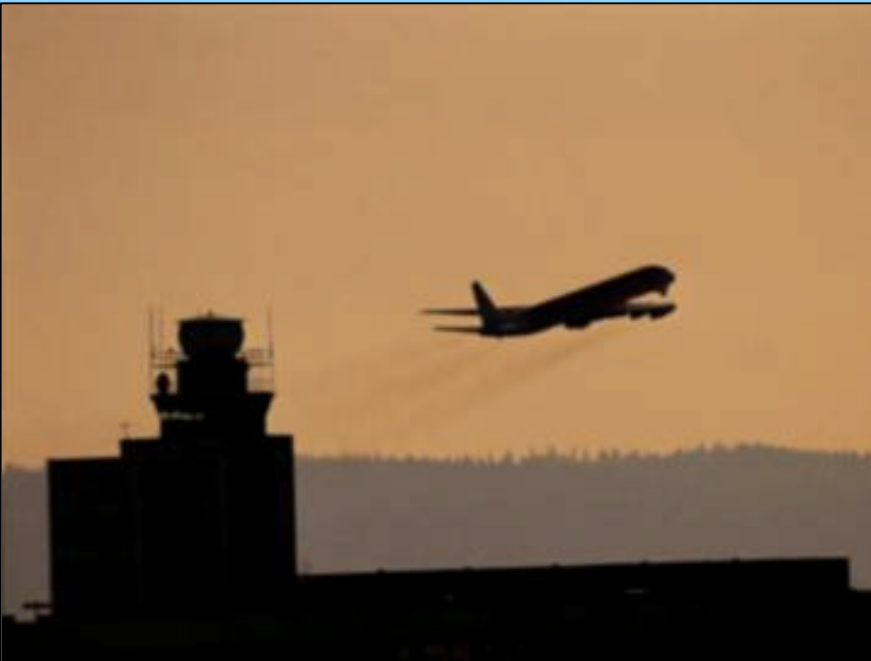

BEST FUTURE TECHNOLOGY

What can the industry deliver?

(Fuel burn improvement)

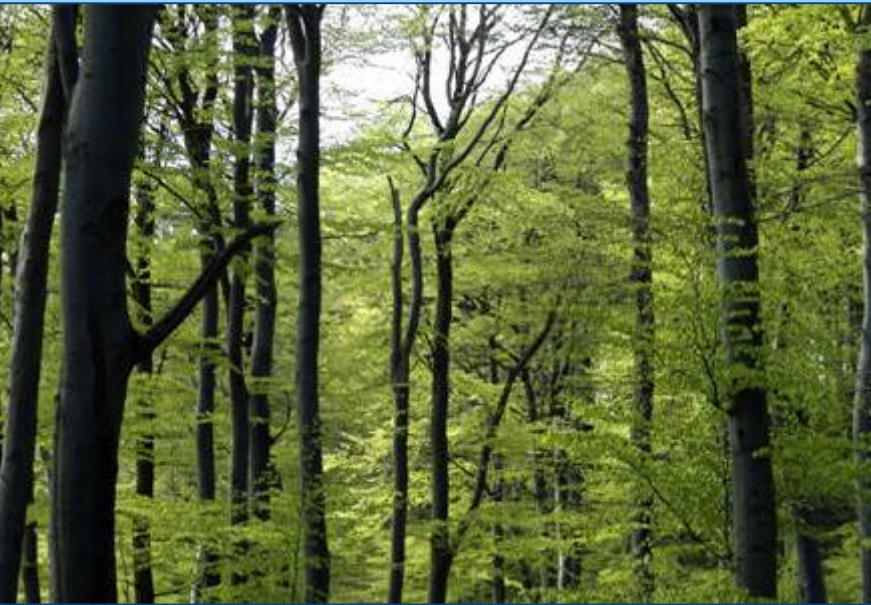

WHAT ROLE WILL OPERATIONS PLAY?

CO₂ VERSUS NOISE

Is the world willing to trade?

ALTERNATIVE FUELS ROLE

Biomass fuel

Land mass availability?

Fischer-Tropsch

Carbon sequestration?

WHERE SHOULD THE MONEY GO?

Carbon trading
(Vegetation offset CO₂)

or

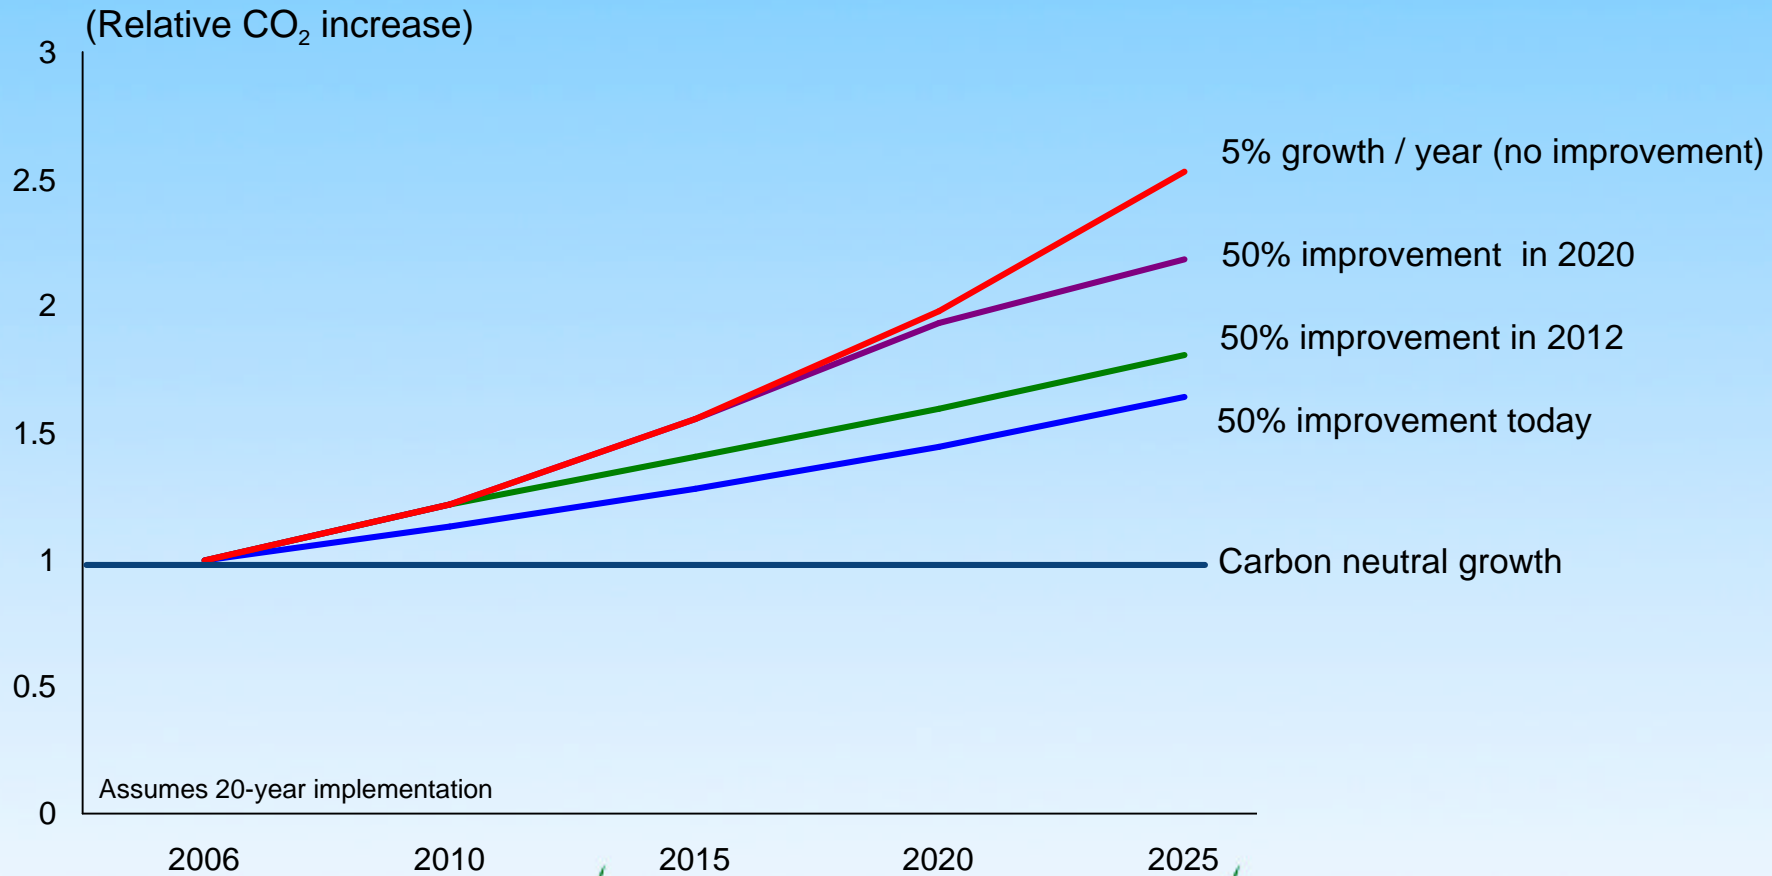

Accelerate technology and
operations improvements

LONG CYCLE INDUSTRY

How do we accelerate implementation?

Developing Carbon-Free Technology
